

Hello! Esta semana vamos a continuar con el tema de la ciudad. En esta ocasión vamos a trabajar con mapas de coordenadas. Es muy sencillo!
 En primer lugar vamos a leer el texto de la página 61, no hay que traducirlo, solo entenderlo. Después contestamos a las preguntas del ejercicio 3.
 Al final de la página tenemos un vocabulario que hay que traducir.

Let's learn about maps Lesson 4
Cross-curricular

1 **Watch.**

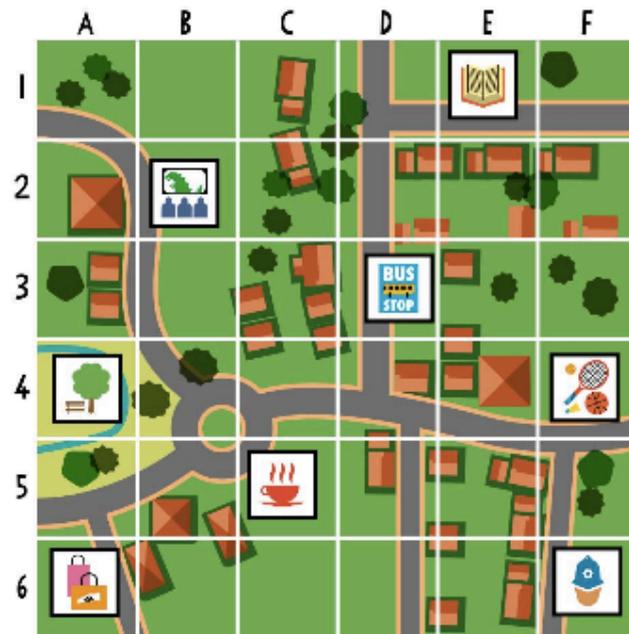

2 **Read and listen. What places can you see on the map?**

Look at this map of a town. A map is a plan of a place. Maps can have numbers and letters. On a map, the numbers and letters show us the position of different places. They are called grid references. Where's the cinema? It's in B2. F4 is the sports centre.

A **symbol** is a picture on a map and shows places. The list of symbols is the **key**. Can you see the key?

To read a map, you need to know the **points of a compass: North, East, South and West**. North is at the top of a map.

3 **Read and answer.**

- 1 Where's the park?
- 2 Is the café south or north of the bus stop?
- 3 Are the shops west or east of the police station?
- 4 What's in these grid references?

F4 A4 A6 C5 D3

Key			
	Police station		Park
	Café		Shops
	Cinema		Sports centre
	Library		Bus stop

4 **Ask and answer.**

What's in E1?

The library.

Can you read a map of your area?

Lesson 4
Cross-curricular

1 Complete the compass and the key. ✓

North ~~village~~ East bridge school mountains river South beach West

Key

	<u>village</u>

2 Look at Activity 1. Write a grid reference for the places. ✓

- 1 beach: E 6 and _____ 4 school: _____
 2 bridge: _____ and _____ 5 river: _____, _____, _____ and _____
 3 village: _____ and _____ 6 mountains: _____

Es muy sencilla, en el ejercicio 1 tenemos que completar con el vocabulario. En el 2, tenemos que poner las coordenadas para encontrar esos lugares.

Ánimo que nos queda nada para el verano!!!
